

## Spring/Summer 2005

Dusk now has a well-earned reputation for making some of the best drinks in the UK, as shown by our role of honour page and we hope that this will continue. This offering not only features some of our award winning Dusk specialities, but some new unique mixes that will taste great in the glorious sunshine. Also, we're a pretty unpretentious lot here at Dusk, so have your drink anyway you want and drink whatever you want. You want a shaken martini, no problem; you want a Pina Colada, no problem. We only have one exception to this rule. No Long Island Iced Teas kids!!!

Enjoy your evening.

Dusk.

# Dusk Luxury Drinks

*A few classic cocktails and the stories behind them, given the Super Nova treatment.*

## Dry Martini

The king of all classic cocktails. The version we know today was thought to have been invented by Italian bartender, Martini di Arma di Taggia, the head bartender at the Knickerbocker Hotel in New York, circa 1919. All Dusk martinis can be served 'dirty' with the addition of Olive Brine.

### **Wyborowa Single Estate Martini** £8.00

A wonderful 100% rye vodka. We believe that Single Estate sets the bench mark for a quality Vodka Martini. The bottle is designed by Frank Gehry, the man behind the Guggenheim Museum in Bilbao.

### **Junipero Gin Martini** £9.00

A fantastic gin from San Francisco: big juniper flavours and a refreshing citrus finish.

### **Tanqueray 10 Martini** £9.00

An ultra premium gin based on the original Tanqueray recipe. Distilled using fresh fruits Tanq 10 produces a truly incredible dry martini.

### **Belvedere Martini** £8.00

A luxury rye-based vodka from Poland. Belvedere uses a quadruple distillation process that produces an unbelievably smooth martini.

### **Snow Queen Martini** £8.00

A new vodka from Kazakhstan. Made using organic wheat and distilled five times, Snow Queen makes for an extremely velvety martini.

### **42 Below Martini** £7.50

Superb vodka from New Zealand. Distilled four times and washed with fresh spring water. An outstanding vodka for martini's.

## Old Fashioned

A legendary bourbon cocktail, this drink is reported to have been invented at the Pendennis Club in Louisville, Kentucky for retired Colonel James E Pepper.

### **Woodford Reserve Old Fashioned** £6.50

Made at the Labrot & Graham distillery, which is oldest operating distillery in Kentucky (1812). Woodford is aged for a minimum of 5 years. It has an incredible taste profile & Woodford is used in the Dusk house Old Fashioneds.

### **Evan Williams Single Barrel Old Fashioned** £8.50

The fact that this is a "single barrel" bourbon signifies that the master distiller believed it to be a near perfect batch. Try it and see if he was right.

### **Elijah Craig Old Fashioned** £8.50

Aged for 12 yrs in white oak barrels, this bourbon is named after the legendary Rev. Elijah Craig. The good Reverend was fined \$140.00 in 1798 for producing whiskey without a license. We believe that it was well worth it!

### **Bakers Old Fashioned** £8.50

A 7 yr old small batch bourbon, extremely smooth with a spicy finish. Makes for a soft, if strong, Old Fashioned.

## Margarita

Classic Mexican cocktail. Lots of people claim to have invented this, but we like the idea that Carlos Herrera made the cocktail for a lady called Marjorie who couldn't drink anything other than tequila.

### **Patron Anejo Margarita** £9.00

A mix of 100% agave & super premium tequilas all individually aged in small white oak barrels, leading to a zesty & smooth margarita.

### **Chinaco Reposado Margarita** £8.50

Aged for a year, this 100% agave tequila produces a silky margarita with hints of vanilla & cinnamon.

## Mai Tai

The quintessential Caribbean drink. Invented by Victor "Trader Vic" Bergeron in 1944, this fantastic drink has been butchered by many a bartender. The true Mai Tai should contain no fruit juices, grenadine or anything fancy. Just great rum, fresh lime juice, orange curacao liqueur, biters & orgeat syrup. "Mai tai -- roa aée!!!" Out of this World.

### **Angostura Mai Tai** £7.50

Angostura 1919 rum is a native of Trinidad. This rum is aged for 8 years in charred oak barrels. An excellent rum, full of flavour & superb in a Mai Tai.

### **Mount Gay XO Mai Tai** £7.50

A superb rum from the Caribbean island of Barbados. Subtle & mellow in texture & flavour, it would be a crime to mix it if the Mai Tai it produced didn't taste so good.

### **Bacardi 8 Rum Mai Tai** £8.00

This rum is aged for 8 years in charred oak barrels. Supple & mellow with fresh flavours including gingerbread & dark chocolate, it produces an exceptional Mai Tai.

## Rum Old Fashioned

Many of the rums at Dusk are simply too good to be mixed with exotic juices. We have used our "top shelf" rums to create some truly amazing Rum Old Fashioneds.

### **Barbadian Old Fashioned** £9.00

We use the exquisite Plantation rum from Barbados to produce a light, yet flavoursome Old Fashioned.

### **Doorly's Sherry Cask Rum Old Fashioned** £9.00

The XO rum used in this drink is blended from 6 twelve year old rums and aged in Oloroso Sherry Casks giving it a subtle & smooth flavour.

### **Venezuelan Rum Old Fashioned** £9.00

We use a plantation rum in this Old Fashioned. The rum is aged in Venezuela, then shipped to France where it is rested for a short period in Cognac barrels, giving it an extremely well-rounded & delicate finish.

### **Havana Club 7yo Old Fashioned** £7.50

Aged for 7 years in white oak barrels, Havana 7 delivers a burst of flavours whilst still remaining smooth & elegant.
