

Spring/Summer 2005

Since opening our doors in September 2003, things at Dusk have continued to go from strength to strength. In the last 18 months Dusk has won 5 major bar awards including Best New Bar at the 2005 Flavour Bar Awards & Best Night Out at the 2004 Class Bar Awards. We believe we have achieved this level of success by constantly providing quality, value and a great night out.

We hope you enjoy our new wine list, a combination of some old favourites and some great new wines for the summer months. Many sore heads have been incurred sampling the wares of the world's best. So please try something a little different because, if you always try the same old thing how will you ever find something better?

Our spirit list once again includes many gems that are either exclusive to Dusk, or are very hard to source. With many months of sunshine ahead of us, why not try some of our excellent rums, including what we believe to be the best on the market. Doorly's XO Sherry Cask, all the way from Barbados.

Anyway, enough of the chat get yourself to the bar and order a drink.

Enjoy you evening.

Mumm Cordon Rouge

This may be the first champagne on our list, but it is by no means a 'house' bottle. Mumm is one of the worlds most renowned champagnes. Known for its elegance and style, the champagne has a lovely golden yellow colour flecked with jade tints.

Subtle aroma's of lemon, grapefruit and apricot are replaced by lingering hints of vanilla and honey. Wonderful fresh fruit and caramel flavours linger with a touch of acidity.
